

Name of the subject / course	Mathematics preDP 2
Teaching hours per week	5
Online classroom	Online classes, including materials are located on Microsoft Teams Homework you send every week on Teams
Contact information	Contact by Librus or Teams

1. Marking criteria:

Grades during the term you will get for

• Long tests	Weight 4
• Short tests	Weight 1
• Group work	Weight 1
• End of semester exams	Weight 4

- All grades will be in percentage. The percentage will be changed into grade given in the 1-6 scale and 1-5 scale for a short test. The grade will be awarded as follows:

Long tests od 95% - 6 od 85% - 5 od 75% - 4 od 60% - 3 od 50 % - 2 ponizej - 1	Short test & group work od 90% - 5 od 75% - 4 od 60% - 3 od 50% - 2 ponizej - 1
--	---

End of unit test

- You will be informed about the date of a test at least a week in advance.

Short tests

- You will write short tests with the aim to check your process of learning and my process of teaching.
- Short tests cannot be retaken.
- If you are absent on two or more short tests you may be asked to write a test covering the content of the tests you have missed (the teacher will take this decision).

End of semester exams

- The exams will take place at the end of each semester.
- The exam will be one of three major exams in preDP (one exam in preDP1 and two exams in preDP2) classes to determine students' path at Diploma course.
- The exam at the end of preDP2 will cover preDP1 and preDP2 material and it will determine students' path at the Diploma level. To qualify to Higher Level course the pass grade is 70%.
- There are no retakes of these tests.

The end of the term grade will be calculated as the weighted mean of your grades you will get during the term and grade will be awarded as follows:

[1.00, 1.90[=	1
[1.90, 2.70[=	2
[2.70, 3.70[=	3
[3.70, 4.70[=	4
[4.70, 5.70[=	5
[5.70, 6.00[=	6

2. Test retake policy:

- Each end of unit test you can retake once only. The grade from the first test will be given weight 1 and the grade from the retake will be given weight 4
- If you cannot take part in the end-of-unit tests and retakes (justified absence), you will have to pass an extra test. The time and date of this test will be agreed with the teacher.

3. Final grade:

- **The end of the year grade** will be calculated as the weighted mean of your grades you will get during the year and grade will be awarded as follows:

[1.00, 1.90[=	1
[1.90, 2.70[=	2
[2.70, 3.70[=	3
[3.70, 4.70[=	4
[4.70, 5.70[=	5
[5.70, 6.00[=	6

4. Late arrivals:

- Late arrivals for classes are only up to 15 minutes, after that the student is considered absent.
- If the student is late for attendance check, he/ she has 1 week to inform the teacher via school's online register (Librus) that his/her absence should be corrected. Otherwise, the absence remains unchanged.
